

SANGRAHA 2024

Crack the Case:

It is an intense and interactive crime-solving challenge. Each team will be presented with a crime scenario where they must examine clues, study the details of the crime scene, and solve the mystery within a limited time. It's not just about being smart it's about teamwork, keen observation, and connecting the dots!

Game Structure:

1. -Each team will be shown a crime scene photo or scenario description.
2. -Teams have 2 minutes to analyze and discuss the clues provided.
3. -At the end of the time, the team must solve and find the solution.
4. -Points will be awarded based on the accuracy of the solution and the team's reasoning

Rules:

1. Maximum number of participants in a team is 2 to 4.
2. Each team must work together as a unit – no switching teams after the game begins.
3. Each team must collaborate and provide one unified answer at the end of each case. The answer must be given verbally within the 2-minute limit.
4. Use of phones or any electronic device is strictly prohibited during the game. Any team found using electronic devices will be disqualified immediately.
5. Only one answer is allowed per team per case. Once a team submits their answer, it cannot be changed.
6. Teams must finish analyzing and present their solution within the allotted 2 minutes. Any team exceeding this time limit will not be allowed to submit an answer for that round.
7. Teams are encouraged to clearly explain their reasoning for their solution. The more logical and evidence-based the explanation, the higher the points awarded.

8. Teams must not seek assistance from anyone outside their group during the game. Any team found doing so will be disqualified.

Prizes:

- First Place: ₹1000
- Second Place: ₹750
- Third Place: ₹500
